Su M T **W** Th F S

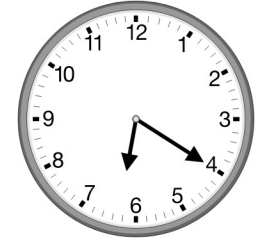

On Wednesday 11 December 2024, the end of year concert and book awards will be held after school.

Our class will practice our performance before the concert.

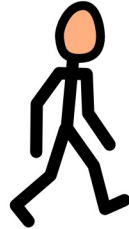

My teacher will tell me what to wear.

At 6:20pm I will meet my teacher in front of the stage on the oval.

I will sit in a line with my classmates.

My teacher will tell us when it is time to walk on stage.

We will sing our song just like we have practiced.

After our performance, some students will receive a book award. We will clap for them.

My teacher will tell us when we need to walk off stage. We will sit in a line on the grass to watch other performances.

At 7:30pm the concert will finish. A family member will collect me. If I have any questions, I can ask my teacher.
