

Junior Choir Contract 2024

At Piara Waters Primary School, we offer Year 2 and 3 students the opportunity to join the Junior Choir. We sing because we love it and perform for special days as well as in school events.

Students who join are expected to:

1. Attend all practices and rehearsals.
2. Arrive punctually.
3. Listen attentively.
4. Participate actively.
5. Sing enthusiastically and enjoy choir!

Rehearsal times: Wednesday mornings 8:00 am – 8:30 am in the Music Room

It is important that all students are committed to rehearsals and are aware of the time that they will need to commit to be a part of the choir.

At times, it may be necessary to attend extra rehearsals at lunchtime before a performance, and this is compulsory.

Students are welcome to try choir during Term 1 before making the commitment to attend consistently from the start of Term 2 until the end of the year.

We require that all students who commit to joining the choir from Term 2 (Term 1 is an opportunity to “try”) read, complete and return this choir contract.

Parents can keep up to date with the choir through the Junior Choir Connect group and/or the school website.

The Junior Choir will have the opportunity to perform at the Fremantle Eisteddfod, which is on Friday, May 3, at 12 noon.

Please return to the front office by Thursday, 28 March, if you wish to continue junior choir in Term 2.
