

Giving back to the school

The P&C has contributed over \$30,000 back to the school in 2021 and 2022.

We have provided the following resources to the school:

Outdoor table and chairs, shade sails, gazebo, jumbo games, literacy books, fitness track equipment around the school and so much more

We welcome anyone to submit fundraising proposal ideas for where the p&c funds can be spent - these are discussed at the P&C meetings and voted on by P&C members.

The P&C will continue to support our great school.

We need YOU to Be Involved!

Your children are going to be part of Piara Waters Primary School for many years to come. So we encourage all families to get involved in whatever capacity you can.

Come along to our meetings to get a better understanding of what is involved.

Volunteers are crucial to our operations: such as helping with 2nd hand uniform shop, being treasurer of the P&C, or just being an active member who helps where required.

Meetings are open to all parents and citizens of Piara Waters Primary School. Come and find out what the P&C is all about, even if you don't want to take an active role, you can still have your say and vote count.

What is the P&C?

The P&C is an affiliate of the WA Council of State School Organisation (WACSSO).

P&C's are established under the Education Act for the purpose of supporting a strong government school system for the benefit of all students. The P&C works closely with the school community, Principal and teaching staff to identify areas of need within the school. Resources can then be allocated as required. The P&C undertakes a range of fundraising activities throughout the year and all funds generated are put back into the school. We also take an active role in developing the school community and spirit.

When do we meet?

The P&C meets 8 times per year in the school library. You are not required to attend every meeting.
