

# TERM 4, WEEK 3 UPDATE

Dear Parents and Carers

Thank you to everyone who did their bit to make it a great Faction Athletics Carnival!

The combined results of day one (Monday jumps, throws, 200m and 400m) and day two (Friday team games, sprints and relays) meant Worl won the Championship Shield and Karla the Spirit Shield.

Our Faction Captains did a marvellous job supporting other students and helping run the day. Thank you. A big thank you to Mr Headland and Mr Snook for your organisation and to each of our staff who made it a smooth day.

Most importantly, our students deserve a big pat on the back. Seeing everyone trying their best, having fun, and joining in was terrific. We've grown to expect great sportsmanship at our school, but I want to say that such terrific students make it a fantastic carnival!

The total championship points were:

1. **Worl** - 1364
2. **Karla** - 1190
3. **Kabi** - 981
4. **Boodjera** - 919

The total spirit points were:

1. **Karla** - 1143
2. **Worl** - 1135
3. **Kabi** - 996
4. **Boodjera** - 919

## PARLIAMENT HOUSE EXCURSION

Last week, our Year 5 students visited Parliament House. Some even got to meet the Premier! Thank you to our Year 5 teachers for planning such an educational excursion, which was free for our students to attend! Parliamentary processes are a key part of the Year 5 HASS curriculum, and it was beneficial for our students to see Parliament in action. The Transperth staff once again commented on how terrific our students were.

## SCITECH CHALLENGE DAY

On Monday, two teams of Year 5 students took part in the Scitech Challenge Day.

This year's theme was the Space Race, and teams participated in a series of fun and educational activities, including a lab session, an engineering challenge, and an astronomy quiz at the planetarium.

One of our teams, Einstein Juniors (Anhad, Oliver, & Zayn), came third out of over 30 teams from around the state. Congratulations and well done to all of our students

Thank you to Ms Ram and Mrs Quayle for going above and beyond and providing this opportunity for our students.

## CLASS PLACEMENTS FOR 2025

Although the start of the 2025 school year is over three months away, we have commenced the process of placing all our students in classes where they will thrive.

Below is our provisional class structure. Over the coming months, our [2025 Education Staff](#) will be updated on our school website. Due to the ongoing growth in student enrolments, we need an additional transportable classroom for 2025. The location of this transportable classroom is being finalised, and when this is known, we will finalise the room numbers for our year one classes.

Please note that this is a provisional structure and is subject to change as our enrolments alter and our staff's personal circumstances change.

### **Kindergarten 2025 students**

Parents of Kindergarten students in 2025 (who have finalised enrolment) have been emailed their class allocation. Some places remain in our 2025 Kindergarten program, so if you still need to enrol, please do so shortly.

### **Pre-Primary to Year 6, 2025 students**

If you would like to provide feedback on your child's class placement for 2025, you may do so using this P-6 [survey link](#).

If parents have any information to assist us with class placements for 2025, they should fill in this [survey](#). Please note that this is an optional survey, and your child's classroom teacher will use the information they know about your child to place them in the most appropriate class.

Please let us know via this survey if you have additional feedback to support our class placement process. You need to include the reasons for your request so that we can understand the situation and meet the needs of all of our students.

If you have specific requests for more than one child, please complete multiple surveys (one per child). The survey closes at midnight on **Monday, 28th October**. (The survey link will not work after this date)

Parents will be notified by email of their Pre-Primary to Year 6 child's 2025 class placement by **Tuesday, 26 November**.
