

Year 1 Excursion

Armadale History House

On Friday, 6 June, I will visit the Armadale History House with the students in Room 12 and 55.

I will need to arrive at my classroom between 8:00am and 8:10am to meet my teacher.

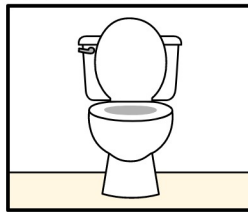

I will wear my school uniform, hat and trainers.

I will need to bring my school bag with my recess, lunch and water bottle in it.

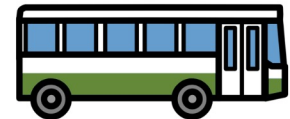

I can ask a teacher or an education assistant if I have any questions.

I can go to the toilet at school before we get on the bus.

I will walk with my classmates, teacher and education assistants to the bus at 8:20am.

I will then travel by bus to Armadale History House.

Year 1 Excursion

Armadale History House

Once I arrive a teacher and education assistants will help me off the bus to wait in the courtyard.

One class will go into the classroom.

The other class will go into the church.

There might be some things in the room that I haven't seen before.

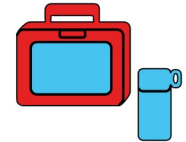

If I have questions I can ask a teacher, education assistant or the History Museum staff.

When I go into the church the adults will put all the girls in one group and the boys in the other group.

In the church I will do some arts and crafts.

After I have gone into the classroom or church I will eat recess in the courtyard with all the students.

Year 1 Excursion

Armadale History House

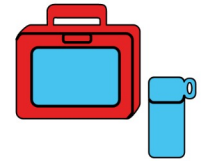

If I need to go to the toilet I need to ask a teacher or education assistant.

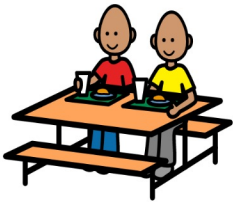

The toilets are at the council building over the road. I can walk safely with a teacher or education assistant over there and won't get lost.

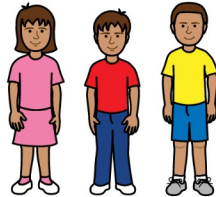

After recess, if I didn't go into the church I will now have a turn to go in there. If I didn't go into the classroom I will now have a turn to go in there.

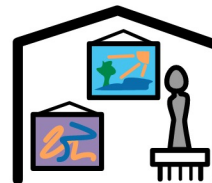

After everyone has had a turn at seeing the church and classroom, I will have lunch.

I will eat lunch in the courtyard with the other students.

After lunch, Room 12 and 55 will split into their classes.

One class will go into the museum.

The other class will play games.

Year 1 Excursion

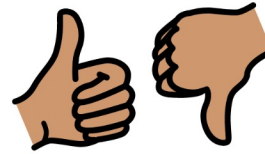

Armadale History House

In the museum I will sit on the mat.

I might see some things that look really old.

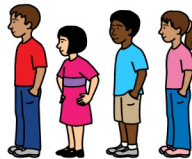

The adults will tell me what I can touch and what I can't touch.

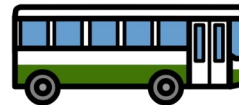

I need to walk inside the museum.

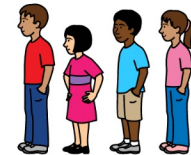

When I play games outside they might be different to the ones I play at home.

After I have gone into the museum and played the games I will line up in the courtyard with the students from Room 12 and 55, teachers and education assistants to go on the bus.

I will go on the bus back to Piara Waters Primary School.

When I arrive back at school I will walk back to my classroom with the other students, teachers and education assistants.
