| 1:30- 1:45 | PRESENTATIONS AND WRAP UP | | | | | | | |

VSSA Summer Carnival 2024- Volleyball Rules & Fixtures

- Location: Canning Vale Indoor Beach Volleyball Centre
- Games to run for 20 minutes. 5 minutes extra is allowed for rotations.
- **Bolded school is umpiring unless there are High School students available to umpire.** After each game, files to remain at court but take scoresheets to Piara Waters PE teacher (Sarah Watkins) at the conclusion of each game. Sarah to choose umpires for finals based on teams playing.
- Each game is to 15 (but must win by 2 points). Each match is the best of 3 sets. If time is called before the third set has finished, whichever team is in front will win that set (but must be up by 2). In the event of a tie for the games won before finals, total sets won will be calculated to determine who goes through to finals.

Volleyball Rules

- 9 per side, up to 4 subs
- Catch or hit ball when it comes over the net when it is served. If caught, student can only move two steps, the ball is given off to a teammate who hits or sets it back over the net or to a teammate. After the ball has been returned it must be hit back, not caught again and continues as volleyball normally would.
- Ball must be hit cleanly, not carried.
- Max of 3 players to touch ball before passed back over the net. This includes the catcher of the serve.
- A player cannot play the ball to himself. Point to the other team.
- Point scored for each point won (after each rally). Each game is to 15 (but must win by 2 points)
- Each match is the best of 3 games but if time is up during the 3rd game, whichever team is in front will win the match.
- Serve must be an underarm or overhead serve. Server can serve anywhere between back corner and midpoint of serving end. Server can take 2 steps forward only. Make sure each player rotates through to serve in order.
- On the serve the ball cannot touch any net (side, back, top or dividing net). Point to the other team.
- After the serve, the ball is allowed to touch any net (except the top net) and can be played off the net.
- The player should not be penalised if they touch the dividing net while playing a shot as long as the umpires are consistent.
- Subs must only change each set. Players to stay in positions when in play.
